# EBS WahOne

## Multifunction Wah Wah/Volume Pedal

Everything from the original classics to the modern wah-wah sounds can be created with warmth and depth through the fantastic EBS WahOne.

### Get the Groove!

The EBS WahOne is the only versatile wah-wah pedal designed specifically to enhance your bass groove. This unique, seriously cool looking pedal is based on the classic concept, created by die cast chrome. With an easy dial-in design the choice is yours - use it as a wah-wah, envelope filter or volume pedal.
